

Warrenton N @ Feby 6 1868

Mr Elias Carr

Sir

Writing to you from Petersburg & also
from Warrenton I have no reply from you -

I wish you could find it conven-
ient to come up & see me, or write me word the
earliest day I could find you in Fairboro -

If I should appear anxious to
collect funds of you, it is not that I doubt at all
your intention or ability to pay, but that I have such
unmediate need myself -

Yours with respects
Peter R Davis
