W^m Carr

We received a note from you this morning stating that you sent us one dollar for patterns last year and did not receive the patterns in return your note must have been mis-carried for we did not receive it for if we had we would have sent you the patterns immediately. I would suggest taraboldi suits for the two older boys we also make the fly jacket suits as a Kilt suit is very stylish it is like a sack worn with a belt, high neck gored dress & full ~~skirt~~ in back is the latest style for a boy 2 years old our charge for patterns is one dollar each. We can furnish you with cloth suits from ten to twenty dollars a suit
