

Tarboro' N.C. Aug. 20th 1868

Dear Elias:

Since reaching home, some one has told me, that a lot, known as the "Bobbitts Lot," or belonging to the Bobbitt family, in the Town of Warrenton, & located in the neighborhood of Mr. A. Jenkins, is for sale - Please write to me about that, or any other place, ~~that~~ is offered for sale, that, you think, would suit me for a summer residence, giving general description of same, & stating price. -

Crops are pretty fair with us - I think however the yield of Cotton will fall short of the calculations of most of our planters. Cotton crops are good -

Politics are beginning to rage - My impression now is, that we will be able to get two or three hundred of our colored ^{voters} population to declare for the Democracy - Would write more, but haven't time - Let me hear from you -

Yrs Very Respectful
J. H. Baker
