

A. T. BRUCE & CO.
COMMISSION MERCHANTS
FOR THE SALE OF COTTON & SOUTHERN PRODUCE.
166 PEARL ST.

New York, Sept 18 1868

Elias Carr Esq

Dear Sir

You can judge the state
of our market by Enclosed Circular -
to day the market is less active - You will
note what Operators are selling at for
future delivery, if they are right then
the sooner your crop is marketed the better
Our impression is Early sales will be best,
then late, if the crop should fall below
Estimate it will again rally -

When you make a shipment write
and say the Cotton is the growth of 1868
then we have no trouble with Revenue
officials - the less we see of such Gent^ls
the better we are pleased -

Y^r Very Truly
A. T. Bruce & Co
