Mr. Elias Law

My dear Sir

You will do me a great favor if you will come to Wilson to see me one day at your earliest convenience. I wish to see you on purely a business transaction - and would go & see you but my health is so bad I am afraid to leave home - It is of importance to me without any risk possible on your part -

Please let me hear from you on receipt of this - and let me know if it is not requesting to much if you will come and about what time

I am

With my kindest regards to your family
