Dear All

I received your letter this morning have been looking for a letter from you always glad to hear from you, I have nothing interesting to write we have had some very hard rain I am afraid have done a great deal of injury to the crops I have told Willy & Keller what you wanted done and to make Sam help them I wish you were here so that you could have things as you want them Mr Parker bought my Luggage when he went on a small Luggage with two seats inside I saw it a few minute as it was late and I had no where to put it away here I sent it down to Jimmy Somerville I am looking
