New York _____ 186

Thus Friend Carr you will note New York is not
answerable for all the loss, The Receivers
here all say there never has been a year when
they have had so much trouble about weights,
but where the trouble is we are unable to tell.

The writer is much pleased to know the
articles selected by him has your approval,

Will see if the Guano can be pulverized
with safety here, we however doubt it -

Always taking pleasure in serving you
we remain Dr^r fr
