COMMISSION MERCHANTS
FOR THE SALE OF
Cotton and Southern Produce.
166 PEARL ST.

New York March 19th 1875

Elias Carr Esq
Dear Sir

Robert is watching your Cotton
interest and hopes to do well for you, for a
few days past it has been sluggish but there
are some slight indications we may catch
Mr B^r again, if so he will be shown no mercy
we do not consider there is danger of a decline,
hence we are watching the moves to do this
but possible for you, just now we would
not object to seeing the drafts you expected
to draw, we have funds plenty - Write
thanks you much for the contract with W^m
hope it may result in good, he says he sticks.
really he goes no where where he seems so
perfectly happy as at Brucebridge Hall -

Mr B about as usual, she sends kind
regards to Mr C, as all do, Nothing
to Enclure to day, if her could give you
something verbally but it would spoil our
paper - We are sincerely & truly

Yours
A. T. Bruce & Co
