Macon, Ga. Nov. 15th 1875.

Mr Elias Carr,

Sparta, N.C.

Dear Sir,

We have directed Express Co to deliver you the Castings simply upon payment of freight, & we remove the C.O.P. The slip sent us from Circular is of old date & applied to our Patent of 1871. By reference to our new Circular you will not find it. We now test our Presses here & if there any breakages afterwards we charge for them. We waive it however in your case - if you object.

Respectfully
R. Findlay & Sons
