

"Buxton Place." N. 6

8<sup>th</sup> April 1875.

Dr. Elias

Many Thanks for The Potatoes,  
I happened to go to Town yesterday, in time  
to receive them on arrival - and shall  
feed them this morning with care, hoping to  
get a good yield, for I, certainly, am anxious  
to secure the kind -

I have <sup>been</sup> thinking of writing to you to order for  
me, an Oil Can, or Tank, like yours, with  
Lock, and all attached, and also B.B. & Co. Oil,  
to be sent to my Address, Care of Parker  
& Watson, Mancunton - Will you be kind  
enough to do so, and pay for the same, will  
arrange it you this summer -

Tempe is in Franklin, often speaks of her  
pleasant visit to Edgecombe - With warmest  
for Ell. & The Boys. I remain as ever yours

Aff. Uncle J. Buxton Williams
