

Baltimore, Maryland, August ³¹ 1877.

NOTICE: This is our final effort to complete the Semi-Centennial Catalogue of the University of Virginia, which was begun by Dr. Schele DeVere. We have spared neither pains nor expense, to get reports of every student, but *many are yet wanting*. We beg the students (or their friends) to assist by reporting

1. Positions held, titles acquired, &c.
2. If in C. S. Army and rank.
3. Present Occupation.
4. P. O. Address.

If dead,—

1. Positions held, titles acquired, &c.
2. Occupation before death.
3. If in C. S. Army.
4. Date and place of death.

The work must go to press very soon, and it is hoped that no one will decline to report, at least, present **OCCUPATION** and **ADDRESS**.

Dr Carr has kindly sent you letter, what was the occupation of Wm Carr - he appears to have been a D.D. but one session & your say, died in 1830. are you the Chas Carr of session 1856? if so you are not reported, & are listed as from D.C.

The publication was promised by the undersigned in better times at a **NOMINAL PRICE**; it will save much expense now and aid in determining the **NUMBER TO PRINT**, to have the **NAMES IN ADVANCE**, of those who will take **ONE OR MORE COPIES** when published. Price \$2 per volume, large quarto. Early reply is important.

Very respectfully,

JOS. VAN HOLT NASH.

Please report!
