Mr Elias Carr

My dear Sir,

Have you seen
Statement of amount collected for you,
Some of the parties have promised to pay
out of their Tobacco Crop, I wrote to you
some two weeks since but suppose my
letter must have been mislaid as I have
not heard from you, Mrs Harper is
anxious to sell her interest in the

Estate of S. L. Mendenhall, the amount is \$3000
and if interest is allowed from the
death of Mendenhall the present value
is \$3480 for which she offers to take
\$2500 and pay the amount she
owes us for loan, I think the
entire amount will be paid in
12 or 18 months. I sold Miss Mc
Mendenhall's legacy of \$2000 in the same
Estate to Mr. B. T. Ballance & he will look
out week for \$1500 Cash. If you
would like to buy our joint
account let me know & I
will investigate the matter more
fully & let you hear from me at once.
In haste

Very truly Yours,
J. W. Ballance

P.S.

I have paid Mr. Geo. Watson \$400 on our note
