President E. Car.

I write to you for information on the time of holding the quarterly meetings. The Constitution says they shall be held on the first Friday in Jan., April, July & Oct. I advocate a change in time of holding our meetings, so the Brethren can visit around. or ^{other} county alliances. Some say we cannot hold a regular meeting except on first Friday in the regular months.

I see other county meetings are held on other days the first Friday. Can the Forsyth Co Alliance hold April meeting on 7th instead of on the 4th and violate the Constitution?

Please write me by return mail and explain the matter. &

I see in the Economist, ~~in~~ they
left off the word country
before word Mechanic.

Are town Mechanics now eligible
to The N F & I. U. ? And can
I being organizer for Forsyth Co
organize an Alliance in a town
composed of town Mechanics?

A Reply by return mail will
