Dear Sir & Bro

Regret you could not be in Raleigh - Worth cant pay back the three thousand dollars - He is compelled to have a margin to meet his drafts - We stopped all lectures except Long to go to Wilkes Ashe and Yacklin - and Parker to finish his district and Durbin the 6th district until further orders - Not getting the \$3000⁰⁰ back from Worth it was getting our treasury loose Compts on the Fayetteville bugging - found that Worth was in for it - We can only

interest on the money from
