OFFICE OF

L. L. POLK,

President.

WASHINGTON, D. C.

1890.

Chas Carr

President *St. L.* State Alliance,

Old Sparta St. L.

DEAR SIR AND BROTHER: To more rapidly disseminate the secret work of our Order, the Executive Committee of the Farmers and Laborers Union of America caused the same to be issued in printed form and distributed to the several States.

If allowed to remain in the hands of the brotherhood in this form, exposure is almost certain and serious detriment to the Order may follow.

You are therefore requested to issue an order to your State Secretary to adopt the speediest means for carefully collecting each and every copy of the said printed form of secret work from the members within your State, and return them to this office as soon as practicable.

Should you wish to have instructions in our secret work, I would respectfully suggest that you call a meeting of your Lecturers, Organizers and other officers, and request one of the delegates who attended the recent St. Louis meeting from your State, to be present to exemplify it, and if such member be not available this office will furnish an officer for that purpose, provided your State will pay his necessary expenses while on such duty.

Fraternally,

L. L. Polk

Pres. N. F. A. & I. Union.
