My dear Sir: Replying to  
Your favor of 1/13 will  
say I know the Nat.  
Paen Bank will not  
lend over \$50 on the share  
of mill stock. They have  
refused twice to do more.  
I have written them to know  
if they will lend \$4900 or  
\$50 per share.

As soon as I hear I will  
communicate with you  
and will gladly negotiate  
the loan if they will take  
it. Yours truly J. H. Ruffin
