Mr. Carr, P. M. &c

Dear Bro,

Eight or ten of our members live near Chestnut Grove in Davidson County, being from three to four miles from "Heapwell Alliance", and think they could find sufficient material to organize a good Lodge at that place. Provided they send you the \$3 Charter fee, could they withdraw and start a new alliance, and do it without the County organizer coming to place to organize? If you think so, we will try to send you the necessary petition as required by the Constitution, &c

Gratefully,

H. L. Decker, Secy,
Secty, Heapwell, D. C.
