Dear Sir & Bro

I write you for information concerning dunits. When is a member clear of books? When are $\frac{1}{4}$ ly dues due or payable?

* When a member applies for dunit what dues are to be collected before they can be granted. For example We received a member the last of Dec. Shall I collect $\frac{1}{4}$ ly dues for this $\frac{1}{4}$? Another example

We admitted a member
last Saturday who had
paid for this 1/4 We
collected another 1/4 before
we gave him a admit-
are we right-
