St. L. Wash County, a question
from Members of Bissett's alliance
No. 777 as it has ^{become} "Wieddy and unruly Eight"
endeavoring to Rule the Ballance of Eighty
and upwards it has caused a little dissatisfaction
and as we can form an other Lodge upwards
of three Miles distance from that or others, we
want to take demits an organize us one 15 or 16
get demits then take others that wont join Else
where, we can soon obtain 25 or 30 members there
we ask you permit to organize it by some of
our members as Wash has no organizer in it
then nothing ^{cost} us but Charter & Books, knowing
that you are State Executive committee, then give
us our No then order the State Secty to forward
Charter & Books and his price for them, we will
forwards the money instantly, its name will be
Eatmons Oaks there are no such name in St. L.
W. S. Barnes of Wilson county is an organizer
but we want ^{to get} a long with less cost if can,
know that you have the other side
a portion of us has been members
we know and what to do, when

This has been promised to us
now we need it as things are
not going on Right and to our
notion.. We could mention some
of the troubles but there is no use
we will doe all that an organizer could and
obey just as well.. we are an obedient set of
People.. we will do all we can to add to the order
and it ^{is} too far for us to travel to Bissitts two
times a month.. Brother you will doe all in your
power for us to make a new Lodge in our midst,
we will give you the names of Expert Members
that can organize for us and will do Right.. you
can appoint Either of them.. Albert Eaton or
W^m. N. Paer or Ruffin Eaton.. please settle the
case to satisfaction according to constitution and
let us hear from you Instantly.. we believe what
can be done if we donot know.. believing that
you will doe all you can for us or we would not
ask you for such a thing.. you will direct to Wilson
N.C. to W^m. N. Paer.. give me name of State Secty
