Dear Sir & Bro.

A dispute has arisen in regard to granting demits. So I will state a case as follows and get your decision. A Bro. applied in Jan. for his demit, and had paid his dues for the same yr. But the ruling of the Alliance was that he should pay another due. for the yr ending June is that what the constitution means by being clear of the Books. Let me hear your decision at once and oblige

Fraternally
