

McCraw & Parker,

DEALERS IN

General Merchandise,

Warrenton, N. C., December 20 1879

Mr Elias Lewis.

My Dear Sir.

Enclosed you have
my Check on The Warner Savings Bank for the
amount collected from H. H. Plummer in
part payment of his loan. I have the
promise of more money in January.

I think it best to take back most of the Plummer's
land and rent it out and take a Mortgage
on the Crops to secure the rents.

Mr Watson and myself have bought the Recup
Plummer place from Mr W. S. Battle,
Will try and make a model farm of
it. All well and send love.

Very truly yours
Jacob Parker.
