Mr Elias Lear,

My dear Sir,

Please have the enclosed deeds signed and returned to me. I doubtless has paid for his 20 acres and Charles Clinton paid about half the amount, Mr Reamy is in the County. She says they will when I get home from here. I have only a few bales Cotton on hand. Sold my Worcester Contract out a few days since at a profit of \$195. Would have made more by holding a few days longer. All well and love here,

Very truly yours,  
Wm. W. W.
