

Wilmington N.C. February 28<sup>th</sup> 1881

Mr. Elias Leason.

My dear Sir,

Enclosed you have my  
sight draft on Parker & Carr for \$207<sup>94/100</sup> amount  
collected on the Person land, I have shipped about  
40 Bales since I returned and bought 60 bales yesterday  
at 10 cents + am to pay for the hauling, I do not expect  
to make any profit on the cotton but I thought it  
might be to the interest of the boys to handle the cotton.  
Hope you can all well and doing well,

Very truly yours,  
Jacob Parker.
