Mr Elias Carr  
Old Spout, N. C.

My dear Sir,

In looking over my papers to day I found some notes against Peter C. Sims amounting to four <sup>23</sup> for <sup>28</sup> weeks payments at Sunday time of \$291 <sup>28</sup> for which I herewith enclose. I inform Peter to day that he must make a payment on his loan. After the debt is done I think you can make a new contract with him and get the debt secured by mortgage on both tracts

Very truly yours,  
Jacob Parker.
