

Wilmington Dec 2 1852

Mr Elias Carr.

My dear Sir.

Enclosed you have my
draft on Packert Carr for One hundred dollars
on the Personal Law. I have succeeded quite as
much Cotton this season as usual but except
have made nothing. Franklinton, Henderson
and Littleton have been paying very high
prices and there is more competition here
than usual. Hugh White is buying for Battle
Bunt's and Edder Jones of Norfolk is also
buying here at present. Kelpolds Bros
have had a buyer at Franklinton all this
season and have been paying Raleigh prices,
The crop in this county is very much
better than last year. All well and send
love.

Very Respectfully
Jacob Tarter.
