Elias Carr Esq

Old Pointe Va.

Dear Sir:

We had received  
a letter from E. Darnsall Esq. which will  
explain itself. At present we have no  
need for money; but we thought it safer  
to find out what could be done. We propose  
taking only select customers, and then to exact  
very full shipments. We inclose three blank  
notes for \$5000 each - which we wish you  
to sign. Send one for \$5000 to Maj  
Parker to sign also. As Mr Darnsall requires  
it. When we shall have used these  
notes we will, if you desire it, place away  
in our safe, notes that are good and  
put your name in a sealed envelope

naming the contents. We want to  
keep you safe beyond peradventure -  
The money we will get at 60%.  
Our Junion returned this morning -

Yours Sincerely  
Parker & Carr

P.P.

You had better register the letters  
in which you mail the notes
