The \$5000 note we today  
discounted with Dump out Co and  
we hand herewith a list of notes  
assigned.

Our Junior left for Washington  
this Evening, as he thought it his last  
opportunity before they rearm open -  
Ward is doing his best to learn, but  
the office of instructor is much more  
arduous than that of book keeper.  
The cotton now coming in is from  
So. Ca. and that part of N.C. in proximity  
to it.

Yrs Sincerely  
Parker & Carr
