Elias Carr Esq

This gives you \$1906³² in notes as collateral security to the \$20,000⁰⁰. The interest due on notes will make the security over \$20,000⁰⁰.

With very good luck we may possibly be able to meet the \$5000 note due Oct 11, but we don't count on it.

Jim Williams has not been able to do any thing in Smithfield yet. They are trying still to freeze him out.

The best Cotton sold today at 9³/₈? Middling is worth 9⁵/₁₆?

Yrs Sincerely
Elias Carr
