Messrs Parker & Carr

Genl - The Sales
through Messrs Paine Reid & Co
came to head to day of 10/3/0
J.S. H. - which was surprising as
they held B/L with full instructions
to handle for me and you had
neither and I am at a loss
to understand why you should
have sold Cotton without
any instructions even had it
been consigned to you with
B/L in hand. I hope you
will at once replace the
same Cotton shipped by me
into their hands and
oblige your Resp.
