Dear Sir: Account you have  
a statement in full of all business  
transactions between Dr John Blau and  
Purslow.

You will see that Parker & Carr & Dr J Blau  
have credit in a/c for 62 1/2 c whereas  
they are charged in a/c with only  
59 1/2 c - hence Dr J Blau should  
indorse to us 5 c.

He owes us today in a/c \$ 214.40

" " " " on Note 325.

" " " " } Estimating 5 c @ 35 = \$ 175

Less a/c credit 132.11  
1/2 of loss on purchase 42.89

21.44  
\$ 560.84

Less a credit for 5 c to which he is entitled 175

Total amt due us by Dr J Blau \$ 385.84

Hoping that you can fully understand this  
statement and settle to your satisfaction we are  
Yours truly
