Dear Sir,

Your favor to hand
I will sell you Rondellittes
Pineiss and her half sister,
a pure bred Jersey but not
entitled to registration for \$100.

They are a pair of beauties and
look very much alike and
from two of the best dairy
cows in Virginia, both being
by one best bull Branded
Crimson No 7115, he is a noted
prize winner, having never
been beaten, taking besides
various other prizes this year,
the Sweepstakes for best bull at
Atlanta Exposition.

If you feel about
this pair of calves I venture to say that

three times the cost would not induce you to part with them, The unregistered keeper "Noselle" has been cured,

You would buy three keps if you could see them, they are in fine condition and beauties

Please let me hear from you, giving me and some, am pushed for room or would not sell at price made to you. They are worth \$150- and will bring me that in spring.

You have or three two keps would make pretty little bud.

Yours truly

A. J. Howe

No charge for the knobs. I found an odd one - R.

The ^{charges} freight by regular freight would not cost you over \$5- or \$6 to your place
