

WALTER CLARK,
~~ATTORNEY AT LAW,~~
Raleigh, N. C.

Col. Elias Carr

Raleigh, N. C., 26 Dec 1887

Dear Sir:

Gov Atkins desires me to write and ask you to look after the renting out of his children's place and collecting the rent for this year. As he is a non-resident and they are Gov. Swain's grandchildren I felt sure you would either do it or find him a good reliable agent who would.

I have heretofore been attending to the matter for him but my official duties prevent my doing so longer.

With very high regard and the compliments of the season

Yrs Truly

Walter Clark
