Col. S B Alexander

Charlotte N.C.

Dear Sir & Bro:

The members of Lodge No 644 of Orange
County & known as Cool Spring Lodge
earnestly appeal to you to send
us a man to settle our difficulty
It can't be settled otherwise, con-
sequently we ask you immedia-
te activity. We have sent a man
to Raleigh ^{to Col. Polk} & he says your duty is
to send us a man at once or
as soon as suits your conven-
ience. Col. Polk says it will
cost the body to much to apply
to the State Judiciary. He Col
Polk says Harry Gracy is the
man to settle it. Your Friend
& Brother Wm Robson Secy
W & Latta.

This racket has been going on
for months - I sent Dr Parker
he failed and then I requested
the Committee on the good of
the order of the County Alliance
and accepted their report
as a finale of the question - but
it did not give this side
satisfaction so I told them
they could appeal to the
Judiciary Committee - and
from the within you can
see how the thing stands
7 rationally
