Dear Sir & Bros.

As you

so kindly offered me the
position of Lecturer for this
District, I take the liberty
of recommending Captain
W. A. Barden of Lagrange
for one of the positions - Cap-
tain Barden I think would be
glad to get the position, as he
is without employment, and
believe he would make an effec-
tive lecturer. I write this think-
ing perhaps only a suggestion
to you would be sufficient and

also a help in selecting
parties for the places. Thank-
ing you for your kindly offer
to me, and hoping this sug-
gestion may lead to the em-
ployment of our Brother and
for the good of the Alliance
Cause, I am Sir

Yours fraternally
W. S. Barnes.
