Elias Carr Esq

Dear Sir &  
Bro, we would like to have  
your opinion on P 17 sec 4  
of our Constitution as regards  
our dut to a suspended  
Bro, ~~the~~ care is this, six  
months ago we suspended  
a member, some Bro's moved  
to notify him that the six  
months was out, it was ob-  
jected to, for the reason that he  
if wished to be reinstated,  
should send in his application  
to that effect, that we should not  
through our Sec notify him, we  
took an appeal as the President

Decided against us, the house  
sustained the President.  
So the Sec notified the party  
that his time was out we  
argued that if we notified  
him that would be an  
invitation for him to return  
to the Alliance which he  
cannot do, please let us  
hear from you as soon  
as possible.

Yours truly &c  
D. H. Davis
