Mr Elias Carr.

My Dear Sir: I am sorry that our Orange brethren have become so badly entangled - matters seem to be getting worse with them. Sometime during last year Capt. Alexander requested me to visit these brethren and investigate the case - this I did thoroughly and so reported to him.

I think the best way for you to dispose of the difficulty now, is to send Mr W. A. Graham there, with powers to settle the matter once for all. They ask for him, and as he is chairman of the Judiciary Com. I am satisfied he is the right man to manage the case.

Bro Graham will likely attend the State Fair, and he could stop off at University Station, either on Monday or Tuesday of Fair Week and see all the parties in person without much extra expense to him or the Alliance.

The whole affair is exceedingly unfortunate and should be looked after by some prudent man right away - Bro Graham is the man -

I am getting calls every day for Alliance work in various parts of the State - only a few of which are accepted - necessarily so on account of the expenses. We have made very satisfactory arrangements for Wheat Fertilizers - better than ever before -

Truly yr.
D. Reid Parker.
