Hon. Elias Carr -

President State Farmers Alliance

Old Sparta -

Edgemont co. N.C.

Dear Sir:

Permit me, as an Alliance Brother, to trouble you for an answer to the following question. Is a Country Lawyer, owning real estate in the County, living upon it, and ~~owning~~ owning and running a farm upon his cleared land, eligible to membership in the Farmers Alliance? That is to say, his residence is in the County, he practices Law, and he is also a farmer, as above said, and relies for support and a living, alike upon his legal practice and the products of his own farm.

Your attention will oblige -
S. S. Satchwell - M.D.
