Sept-30th 1889

Eliar Carr Esq

Dear Sir & Bro; Your favor, of the
29th Inst, did not reach me, until the night
of 30th (Saturday). I regret it very much, as it
was a convenience to Bro. Hunter. I will do all in
my power to aid him. I do not think a lec-
ture here will be of any benefit; as we could
hardly advertise it sufficiently, by the day re-
suggested, and in addition to that our Court
is in session, and the people will have
other things in considerable num-
ber. I shall telegraph Bro. H. to
Friday, instead of here

with any probability of immediate engagement.
Mr Pugh may not be an expert; but he has large
experience with Kaden Biggels, W H Morris & Sons
and Elliott Bros, extending through 20 years.

He is without employment now, or was a
few days ago, as Trip Elliott Bros & I un-
employed him last year have left it to
