Dear Sir

We enclose herin your letter of Nov. 24th 1889 in which you will notice you say "If you cant get it out of him I will pay it" Upon this assurance, after waiting for some time to get an opportunity at Raleigh, we rendered you bill the second time. We now have the matter with you.

Mr. McE. sold a cow to one of the parties the other has not applied as yet and is thankful for your kindness in the matter.

Yours truly
