Dear Sir,

I have 370 acres  
land in Warren County  
on Schoed Creek about  
9 Miles South of Worsenston  
& it adjoins a tract that  
belongs to you, would  
you like to buy mine  
(which I will sell cheap)  
or will you sell yours  
cheap; let me hear from  
you as to what you would  
give or what you would  
take, I think the land  
is about the same,

Yours truly

W. E. Newcomb
