 Old Sparta,
 N. C.

Dear Sir & Bro.

We have an application for membership in our Sub. Alliance Apex No. 23 and there is some question as to the eligibility of the applicant. He is employed by the R. & A. R. R. Co. as Section Master. He has a farm also as a means of support. He is one of our best citizens, in perfect sympathy with our order and every member seems anxious to receive him provided it does not conflict with our Statutory law for we are sure that he will work in harmony & do us good.

Please give us a ruling.

At request of
 B. E. Webster, President
