My dear Sir & Brother -

I am frequently asked by Mechanics living in our State as to their eligibility to join the Farmers Alliance - My opinion is no town Mechanic is eligible.

Will you please advise me on this point - I have never seen the new Constitution - & am aware it grant. priviledges to each State in this particular. I would be glad to have a copy of the Constitution if you have one to spare -

With high regards - I am  
Fraturnally Yours  
James Forwood
