Dear Bro. Carr

Do not consider me officious  
or presumptuous. But should not the 5 cts National  
dues be based on members reported to County Alliance  
at October session and those who found since  
be exempt. All will be required to pay this extra 5 cts  
at October session hereafter - and if you take those  
in who have found since Oct, they will have paid  
twice in a year -

I am sorry to say that \$3182. of the Fund has  
been tied up by Cotton Baggery which was not received  
in time consequently was not taken - I fear \$1000. more  
will go in some way.

I have put North on solid basis with Monist Haven-  
port Grocers Richmond Va. and hope can con-  
summate some trade with some hardware firms -  
Fund now over \$32,000

Yours truly  
N. A. Graham
