Silas Carr, President of
the Farmers Alliance & W. U. of Md.

Dear Bro & Sir, As the
Farmers Alliance & W. U. of Maryland is endeavoring
to establish a house, in the city of Washington
for the sale of all the produce, that is shipped
to that market. By the members of the order,
I write to enquire, if you would receive
the support of the members of the order
from your State, that usually ship to that
market; You know in starting a thing of that
kind, in order to make it a success, and to
successfully compete with the already established
country merchant - we as an order must give it
our undivided support. The necessity for a
house in the city of Washington, is admitted by
all, and if we work together, it will become
a valuable market to the members of the Alliance
I do not know to what extent the people of your
State ship to Washington, but any information
respecting the probable amount that would
be likely sent to ~~Washington~~^{that market} would be gladly
received,

Yours faithfully
Winfield Haller.
