

without my judgment.
If no clergy paper
entitled to a dissent

Williamston, N.C.
February 17, 1880

Dear Sir:

I had some
old jute bagging that
I used ^{for} pressing apples.
I used it around my cot-
ton. The members of my
Alliance say they will
expell me for so doing
I would be glad to know
your decision concerning
the matter.

If my dues are paid
and I call for a dissent is
it my duty to pay an other
guate before they grant it?

Yours truly
Jas. H. Peal.
