Mr Elias Carr,

My dear Sir,

I have given Taska Polk your  
Note against Mr Edward Abston for Indorsement,  
Taska has written him to come up and confer  
Indorsement but he may not do so,  
I will make a settlement with Doct Fleming  
Soon and he will want to pay the note and  
you and I request that I can not pay my  
part of the note. I may have to ask you to take  
My Note for \$100 in part of your claim,  
I can try much presser for money I can  
assure you it gives me great pain to ask  
you now. I hope I will be able to get on my  
feet again soon and find some profitable  
employment. Her will go Frankenton  
Wednesday to teach Mr R M Bellows Children  
and her at Put will open a school here &  
I will go to work I hope we can make  
a living.

Yours truly  
Doct Packen
