Dear Sir -

I am appalled a committee of our
to collect money subscribed last spring
when we caught Tom Mitchell - which
money is to pay our lawyers, was not well
to trust. You are kindly send the \$100 was
much more as you will by yr ch or postal
note - we will need all we can get as we
will surely convict Tom Mitchell & I think
two or three others -

Yrs Sef

W. P. Baugham

Our down paid out near 400 & catch them
& we want to collect enough outside to do
the prosecuting - our will thank you for
a \$500 sub - Tho. your name appears on
our list on our list -

Nothing up here is has been very disagreeable & I think all
our W.C. plants are killed - Tho. is now too late to sow again
