Mr Elias Carr

My dear Sir,

Your Valuable favor of the 5 Inst is just to hand and I hasten to reply. As I before informed you P. C. Davis Can not pay the interest on the last purchase or make any payments on the first purchase, balance due as in your statement of \$218²²00 - Peter did not pay one last year and to prevent the sale of his stock W. C. G. Barker thought it best to furnish him supplies and take a mortgage on his crop and stock and secure mortgage on the first purchase of land thinking thereby to enable him make a crop and pay you something on the land next fall. Hope the arrangement will meet your approbation. There will be but little to sell after taking ones \$500 of personal exemption, Mr Edmund Alston kept out of the way so no writs could be served on him this week. He may confess judgement on your note.

I hope my Collected will not be sold before
September unless by that time I may be able to
buy them in. Just at this time there is no
money in Human Court; and nothing will
bring half its Value. Please accept my
thanks for your kind offer to assist me,
I hope to get on my feet again so I can
render a Support for my family.
All well and Dear love,

Very truly yours,
Jacob Parker,
