^{wrote} In a conversation yesterday
 Dr. Cox Pres^t of our County alliance, the
 question arose as to who would consti-
 tute the alliance if called between
 the regular Apr + July meeting?
 Will the delegates, elected by the sub^s for
 the Apr meeting hold over until the sub^s
 elect delegates for the July? or do the functions
 of Apr delegates cease upon their adjournment,
 and a called meeting being necessary, ^{would} the
 Pres^t have to call one the sub^s alliance for
 a new set of delegates? - what is the rule that
 holds from the State alliance in such an event?
 To make my self better understood I will say
 (you being our chief hence its not talking out
 of school), that at our regular meeting in
 Jan^y a committee was appointed (that might be
 termed the political committee) though we fight

shy of the word Political our alliance being Com-
 -posed of both Dem. + Rep.) to consider and
 report upon the policy to be pursued by ^{our} the alliance
 in as to elections this fall - Under this ^{the}
 Committee have corresponded with ~~the~~ each
 County alliance in this Congressional and Senato-
 -rial districts, to know their views as to holding
 a convention of alliance men only, or how - Suggesting
 a conference of the order ^{composed} in ~~the~~ districts - of delegates
 from each County alliance, to meet at some central
 point to consider and determine what will be
 the best thing for us to do - whether to hold such
 a convention or not, in any case to settle the
 preliminaries. The committee expect the matter
 (correspondence) to be placed before the different
 County alliances at the regular meetings in
 Apr - after which replies are expected to the
 Committee's letter - as these replies cannot be read
 until after the adjournment of our Apr meeting

A Called Meeting of our assembly by
the president will be necessary.

If you decide that the delegates of the
apt meeting ^{do not hold on and} ~~can~~ not constitute the call meeting
after adjournment (sine) - Can the president
adjourn the apt meeting (not sine die) to some
day of which he will give notice. Stating
at the time of such adjournment that it is
for this (necessary call meeting).

I trouble you with this matter by request of our
President and ~~our~~ ^{the} ~~committee~~ ^{of the committee}. Name
being its chairman. We will be pleased to
hear from you as soon as convenient as this
question will be up for discussion at our apt
meeting - I hope this will find our worthy
chief in the enjoy out of good health and prosperity.

Fraternally
