Hon. Elias Carr.

Dear Sir & Bro.

Permit me to ask you
a question — Can a Man who
has Commissions as County Organizer
organize another County or any part
thereof without first having obtained
a Recommendation from the Com. or
the Gov of the Order for that Co. And
a Commission from the State Ex. Com.

If not — such is the case for or in
this Co. And its formation is "Clandestine".
Must like to hear from you before
the April "Quarterly Meeting" in this Co.
And whether a delegation from such Int.
Alliance can be sent and recognized
by the County-Alliance.

Yours Fraternally.

W. G. Gregory, Pres.

Daquibanta, Co. F. A.

P.S.

Rec'd yesterday quite a charming letter from
Geo. Doek, Washington D.C. W. G. G.
